

**College Green Club**  
Academic Year 2023-24

Date: 06-09-2023

**NOTICE**

All faculty members and students are hereby informed that our college has participated in the “**Youth Engagement and Water Stewardship Program in Maharashtra 2023-2025**”(YEWS). The YEWS is a three-year program being implemented from 2023 to 2025 in association with the Department of Higher and Technical Education, Government of Maharashtra, UNICEF (Maharashtra) and ACWADAM, Pune. The Centre for Environment and Education (CEE), Pune and Why Waste? Bengaluru are the other two key partners in this program. This program will develop skills and empower 710,000 youth by giving them the tools and the confidence to take collective action on water, environment, and sustainability issues. These volunteers will share their ideas and actions with 2.7 million people in the state and eventually, save millions of liters of water.
