

#### **Anti-Ragging Committee**

Ragging is a disturbing reality in the Higher Education system of our Country. Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students, the practice is still perceived by many as a way of familiarization and an 'initiation into the real world for young college going students. Ragging is an offence, hence students are advised to refrain from involving themselves in ragging. The University Grants Commission has issued the strict guidelines for preventing the incidents of ragging on the college campus. The college will be punishing the students, who are found to be involved in ragging incidents as per these guidelines. Students are informed to take note of it and help college to maintain ragging free campus.

Anti-Ragging: Ragging refers to any act that causes mental or physical harassment, or discomfort to new students in educational institutions. Ragging is strictly prohibited by law, and all colleges and universities are required to implement anti-ragging measures to ensure the safety and well-being of students. As a part of the anti-ragging initiative, colleges conduct awareness programs and counseling sessions for students and staff, and also have a mechanism in place to handle any complaints related to ragging. Anti-ragging initiatives play a crucial role in ensuring transparency and accountability in educational institutions. By implementing these initiatives, colleges and universities can provide a safe and secure learning environment for students, and also foster a culture of transparency and accountability.
