## Allocation of course to teachers

Programme Name: B. A. (ECONOMICS)

# Programme Outcomes

Sr. No.	Programme Outcome
1	Gain of the knowledge, skill and techniques expected from B. A. Economics programmer.
2	To Acquire knowledge about micro and macro economics
3	Learn the new market structure and imperfect competition

4	To Acquire knowledge about fiscal and monetary Policies
5	Gain the knowledge about Indian Agriculture sector
6	Understand the determination of price and output under different market structure
7	Obtain the knowledge of Agriculture economy
8	Understand the importance and Influence of environment from the point of view of economic development.
9	Apply conceptual understanding of the Economics to general real-world situations
10	Discover of economics concepts in other disciplines such as statistics, social science, geography, and political science.

# Course Outcomes (A.Y.2023-24)

Sem.	Course Code&	Outcomes	
	Course Names		
1	UAECOMIE101	1. Students will understand general economic concepts (supply &	
	Micro	demand, comparative advantage, opportunity cost, gain from	
	Economics-I	trade etc.)	
		2. Students will understand micro-economic concepts	
		(Unemployment, Market, elasticity, revenue etc.)	
		3. Students will be able to identify and solve complex economic	
		problems faced by Markets structure.	
П	UAECOMIE102	1. Students will understand general economic concepts	
	Micro	(Production Function, cost and revenue analysis, theories of	
	Economics-II	distribution and understanding about the market structure)	
		2. Students will understand the concepts of Micro	
		Economics and Production Analysis.	
		3. Students will understand scenario of Cost & Revenue Analysis.	

III UAECOMAE30 1. Students will understand the concepts of Macro Economics and National Income.   Macro 2. Students will understand scenario Consumption and Investment.   3. Students will learn Supply of Money and Demand for Money. 4. Students will get with key problems of Banking.   III UAECOPF302 1. Students will understand the concepts of Public Finance.   Public Finance 2. Students will understand the concepts of Fiscal Policy: Budget and Taxation.   3. Students will learn Fiscal Policy: Public Expenditure and Debt. 4. Understand the concepts of Indian Public Finance & GST   IV UAECOMAE40 1. To study the Inflation.   1 2. To study the importance Post Keynesian Economics.   Economics-II 3. To study the External Sector.   IV UAECOIE402 1. Students will understand the Introductory part of Indian Economy.   Economy 2. Students will get basic idea of Service Sector.   V UAECOAMIE97 1.
