

RESEARCH & DEVELOPMENT CELL

College Research Committee

Academic Year 2024-25

1. **Name of Department:** College Research Committee
2. **Date of Establishment:** AY 2013-14
3. **Nature of Department in Brief:** College Research Committee is introduced by college in the academic year 2013-2014. It strives to contribute, to coordinate, to support, to promote and to monitor research activity within different departments of the institute. At the same time, events are put in place to encourage research for the furthering of research at the Institute. A strategic objective of the committee is the building of research aptitude to increase both the quality and quantity of academic research. A Research Committee has been formed to oversee and provide stimulus to research activity in the institution.
