

**Measures initiated by the Institution for the promotion of gender equity during the year. 2023-2024**

**Women's Development and Awareness Initiatives at DSDD Arts college and commerce and Science college Wada District: Palghar**

**1. Committee Functions and Induction Programs**

- In accordance with the norms of Mumbai University and the Maharashtra Government, our college committees function diligently to uphold standards and conduct informative induction programs for faculty and students.
- Rajmata Jijau Youth Self Defence Training Program organised by Government of Maharashtra, Department of Women and Child Development, All Maharashtra Thang Ta Association and WDC, DSDD College.
- Gender Equality: Organized by Rural Hospital and Department of NSS and WDC, DSDD College.

**2. Workshops on Women's Rights**

- Periodic workshops and sessions focusing on women's rights in domestic situations have been organized for the past four years, fostering awareness and empowerment among students and staff.

**3. Health Awareness Programs**

- Health awareness initiatives specifically addressing women's health issues are regularly conducted for both faculty and students to promote well-being and informed decision-making. Anemia Awareness, its test and camps were organized successfully under NSS of this college.

**4. Celebration of Women's Day**

- Women's Day is celebrated annually with enthusiasm under this we are conducting programs for safety and security of women employees and students to be conducted periodically.
- Competitive Exam Guidance: Organized by, Department of Women and Child Development.
