

Quality audits on environment and energy are regularly undertaken by the institution

7.1.6.1. The institutional environment and energy initiatives are confirmed through the following

1. Green audit
2. Energy audit
3. Environment audit
4. Clean and green campus recognitions/awards
5. **Beyond the campus environmental promotional activities**

Beyond the Campus Environmental Promotional Activities

1. **Community Awareness Programs:** Organizing awareness campaigns in nearby communities to promote eco-friendly practices such as waste segregation, recycling, and reducing plastic usage.
2. **Tree Plantation Drives:** Conducting tree-planting events in public spaces such as parks, roadsides, and schools to enhance greenery and improve air quality.
3. **Clean-Up Campaigns:** Collaborating with local authorities and volunteers for clean-up drives in public areas, riversides, or neighborhoods to reduce litter and environmental pollution.
4. **Workshops and Seminars:** Hosting workshops and educational sessions for local residents, businesses, and schools on topics like renewable energy, water conservation, and sustainable living.
5. **Distribution of Eco-Friendly Products:** Promoting sustainable living by distributing reusable bags, water bottles, or biodegradable alternatives to encourage reduced dependency on single-use plastics.
6. **Collaboration with Local Organizations:** Partnering with NGOs, government bodies, and community groups to implement large-scale environmental initiatives and share resources for greater impact.
7. **Awareness through Media:** Creating awareness through posters, social media campaigns, and local media outlets to inspire more people to adopt environmentally responsible behavior.
8. **Involvement in Policy Advocacy:** Participating in discussions and advocacy efforts for policies that address local environmental challenges and promote sustainability.
9. **Eco-Tourism Programs:** Promoting responsible tourism practices that emphasize environmental conservation while exploring natural sites beyond the campus.
10. **Educational Outreach:** Engaging with local schools to educate students on environmental topics and inspire the younger generation to take an active role in protecting nature.

These activities underscore a commitment to extending environmental responsibility beyond the campus and fostering a broader impact on society under NSS of this college.

Options:

- A. Any 4 or all of the above
- B. Any 3 of the above
- C. Any 2 of the above
- D. Any 1 of the above**
- E. None of the above
