

1. Preamble

This Memorandum of Understanding (MoU) is made and entered into on this **24 December, 2025**, by and between the **Department of Chemistry, Com. G.S.P. College of Arts, Commerce and Science, Talasari**, hereinafter referred to as "*First Party*", and Shikshak Sanchalit Shikshan Sanstha's, Dr. Shantilal Dhanji Devsey Arts College & Commerce & Science College, Wada, hereinafter referred to as "*Second Party*".

Both institutions recognize the value of academic collaboration and are committed to promoting knowledge exchange, collaborative research, faculty development, and student enrichment activities in the field of Chemistry.

2. Purpose

The purpose of this MoU is to promote academic cooperation and to foster knowledge exchange between the two institutions through:

- Collaborative research projects
- Faculty and student exchange programs
- Sharing of laboratory facilities and resources
- Curriculum development and best teaching practices
- Internships and industry visits

3. Scope of Collaboration

1. Joint Organization of Academic and Co-curricular Activities

The collaborating institutions may jointly plan and conduct academic programs such as seminars, workshops, conferences, guest lectures, webinars, and symposiums. Co-curricular activities may include cultural events, competitions, leadership programs, and student clubs aimed at holistic development.

2. Exchange of Teaching–Learning Resources and Materials

Both institutions may share educational resources such as curriculum frameworks, lecture materials, digital content, laboratory manuals, e-learning platforms, and innovative teaching practices to enhance the quality of instruction and learning outcomes.

3. Mutual Visits by Faculty and Students for Academic Interaction

Faculty and student exchange programs may be organized to promote academic exposure, collaborative learning, mentoring, and cross-institutional interaction. These visits can include short-term teaching assignments, training programs, academic discussions, and collaborative projects.

4. Sharing Research Findings and Undertaking Joint Research Publications

The institutions may collaborate in research activities by sharing research outcomes, data, and expertise. Joint research projects may be undertaken, leading to co-authored research

papers, publications in reputed journals, presentations at conferences, and development of innovative solutions to academic or societal challenges.

5. Organizing Fieldwork, Study Tours, and Industrial Training

Collaborative efforts may be made to organize field visits, educational tours, internships, and industrial training programs. These activities aim to provide practical exposure, industry insights, skill development, and real-world learning experiences for students.

4. Duration

This MoU shall be valid for a period of **three (3) years** from the date of signing. It may be renewed or modified upon mutual agreement by both parties.

5. Funding and Resources

Each party shall be responsible for its own expenses unless otherwise mutually agreed upon in writing. External funding opportunities may also be jointly explored.

6. Confidentiality

Both parties agree to maintain confidentiality of any proprietary or sensitive information shared during the course of collaboration, unless prior written consent is obtained.

7. Dispute Resolution

Any dispute arising from or in connection with this MoU shall be resolved amicably through mutual consultation between the parties.

8. Termination

Either party may terminate this MoU by providing a written notice of 30 days to the other party. All ongoing activities at the time of termination shall be concluded in a manner agreed upon by both parties.

9. Signatories

This MoU is signed on behalf of both institutions by their authorized representatives:
